Medical records / Health information requests by the District One Medical Examiner are authorized by Federal and State Law.

Federal HIPAA Statute 164.512: Uses and disclosures for which consent, an authorization, or opportunity to agree or object is not required.

A covered entity may use or disclose protected health information without the written consent or authorization of the individual as described in §§ 164.506 and 164.508, respectively, or the opportunity for the individual to agree or object as described in § 164.510, in the situations covered by this section, subject to the applicable requirements of this section. When the covered entity is required by this section to inform the individual of, or when the individual may agree to, a use or disclosure permitted by this section, the covered entity's information and the individual's agreement may be given orally.

(g) Standard: uses and disclosures about decedents.

(1) Coroners and medical examiners. A covered entity may disclose protected health information to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death, or other duties as authorized by law. A covered entity that also performs the duties of a coroner or medical examiner may use protected health information for the purposes described in this paragraph.

AND

Florida Statute 406.12": Duty to report; prohibited acts.--It is the duty of any person in the district where a death occurs, including all municipalities and unincorporated and federal areas, who becomes aware of the death of any person occurring under the circumstances described in s. [406.11](#) to report such death and circumstances forthwith to the district medical examiner. Any person who knowingly fails or refuses to report such death and circumstances, **who refuses to make available prior medical or other information pertinent to the death investigation**, or who, without an order from the office of the district medical examiner, willfully touches, removes, or disturbs the body, clothing, or any article upon or near the body, with the intent to alter the evidence or circumstances surrounding the death, shall be guilty of a misdemeanor of the first degree, punishable as provided in s. [775.082](#) or s. [775.083](#).
